NOTICE CONCERNING STANDARDS FOR SSI RECIPIENTS' RESIDENTIAL FACILITIES

Public Law 94-566, section 505(d), enacted in 1976 and Public Law 97-35 enacted in 1981 established section 1616(e) of the Social Security Act, commonly known as the "Keys Amendment."

The Keys Amendment, as implemented by the federal regulation 45 CFR Part 1397, requires each state to make available for public review a summary of the standards used in regulating residential facilities in which recipients of Supplemental Security Income (SSI) reside or are likely

to reside.

Standards for some types of facilities are set by the Department of Social and Rehabilitation Services, while the Department of Health and Environment sets standards for others. The summary of all standards or further information about the full standards set by SRS may be obtained by writing to the Department of Social and Rehabilitation Services, Jan Allen, Commissioner of Adult Services, Biddle Building, 1st Floor, 300 S.W. Oakley, Topeka 66606.

Further information about the full standards set by KDHE may be obtained by writing to the Department of Health and Environment, Gerald Block, Director of Field Services, Landon State Office Building, 10th Floor,

Topeka 66612-1290.

All affected facilities must meet the standards. Compliance with the standards assures that facilities provide a safe and healthy environment for SSI recipients and other disadvantaged persons in need of continuous protective oversight. Persons with knowledge of facilities which may not have met the standards are urged to write either SRS or KDHE at the addresses above.

The bonds will consist of fully registered bonds without coupons in the denomination of \$5,000 or any integral multiple thereof. The bonds will be dated December 1, 1988, and will become due serially on December 1 in the years as follows:

Year	Principal Amour
1990	\$10,000
1991	10,000
1992	10,000
1993	10,000
1994	10,000
1995	10,000
1996	15,000
1997	15,000
1998	15,000
1999	15,000

The bonds will bear interest at rates to be determined when the bonds are sold as hereinafter provided, which interest will be payable semiannually on June 1 and December 1 in each year, beginning on December 1, 1989.

Place of Payment and Bond Registration

The principal of and interest on the bonds will be payable in lawful money of the United States of America by check or draft of the Kansas State Treasurer, Topeka, Kansas (the paying agent and bond registrar). The principal of the bonds will be payable at maturity or upon earlier redemption to the registered owners upon presentation and surrender of the bonds at the office of the paying agent. Interest on the bonds will be paid by check or draft mailed by the paying agent to the persons in whose names the bonds are registered on the registration books maintained by the bond registrar at the close of business on the record date for such interest, which shall be the 15th day (whether or not a business day) of the calendar month next preceding such interest, payment date.

The city will pay for the fees of the bond registrar for registration and transfer of the bonds and will also pay for printing a reasonable supply of registered bond blanks. Any additional costs or fees that might be incurred in the secondary market, other than fees of the bond registrar, will be the responsibility of the bondholders.

Redemption of Bonds Prior to Maturity

The bonds shall not be subject to redemption prior to their respective stated maturities.

Conditions of Bids

Proposals will be received on the bonds bearing such rate or rates of interest as may be specified by the bidders. subject to the following conditions: The same rate shall apply to all bonds of the same maturity. Each interest rate specified shall be a multiple of % or ½0 of 1 percent. No interest rate shall exceed the index of treasury bonds published by the weekly Credit Markets in New York, New York, on the Monday next preceding the day on which the bonds are sold, plus 2 percent. The difference between the highest rate specified and the lowest rate specified shall not exceed 2 percent. No supplemental interest payments will be authorized. No bid of less than the principal amount of the bonds and accrued interest will be considered. Each bid shall specify the total interest cost to the city during the life of the bond issue on the basis of such bid, the premium, if any, offered by the bidder, and the net interest cost to the city on the basis of such bid. Each bid shall also specify the average annual net interest rate to the city on the basis of such bid. Bidders shall specify in the bid form the prices (exclusive of accrued interest), expressed as a dollar price, at which the bidder intends that each maturity amount of the bonds shall be initially offered to the public (the initial reoffering prices).

Basis of Award

The award of the bonds will be made on the basis of the lowest net interest cost to the city, which will be determined by subtracting the amount of the premium bid, if any, from the total interest cost to the city. If there is any discrepancy between the net interest cost and the average annual net interest rate specified, the specified net interest cost shall govern and the interest rates specified in the bid shall be adjusted accordingly. If two or more proper bids providing for identical amounts for the lowest net interest cost are received, the city shall determine which bid, if any, shall be accepted, and its determination shall be final.

Authorization, Purpose and Security for the Bonds

The bonds are being authorized and issued to permanently finance various trafficway improvements to the city. The bonds will be general obligations of the city payable from ad valorem taxes which may be levied without limitation as to rate or amount on all the taxable tangible property, real and personal, within the territorial limits of the city.

Internal Revenue Code of 1986

The Internal Revenue Code of 1986 imposes requirements on the city which must be met subsequent to the issuance of the bonds by the city and, as a result, the city will and does hereby covenant that it will diligently undertake those steps necessary to maintain the tax-exempt status of the bonds. The city's failure to comply with such requirements could adversely affect the tax-exempt status of the bonds. Purchasers of the bonds should be aware that should the bonds lose their status as tax-exempt obligations as a result of the city's failure to comply with such requirements, the bonds are neither

callable nor will the rate of interest on the bonds be adjusted to reflect such circumstances.

The code includes interest on tax-exempt obligations. such as the bonds, in the adjusted net book income of certain corporations for taxable years beginning after December 31, 1986, and includes, through 1989, in the calculation of alternative minimum taxable income one-half of the excess of a corporation's adjusted net book income over its alternative minimum taxable income (determined without regard to this adjustment and prior to reduction for certain net operating losses). After 1989, the use of "book income" will be replaced by "adjusted current earnings," with certain other adjustments. Furthermore, Section 59A of the code, as added by the Superfund Amendments and Reauthorization Act of 1986, provides for a new environmental tax generally based on corporate alternative minimum taxable income. The amount of the tax is equal to 0.12 percent of the excess of alternative minimum taxable income, without regard to net operating losses and the deduction for this tax, over \$2 million. The environmental tax is imposed whether or not the taxpayer is subject to the alternative minimum tax. The environmental tax, which is effective for taxable years beginning after December 31, 1986, may subject certain bondowners to additional taxation for interest earned on the bonds.

The code also requires property and casualty insurance companies, for taxable years beginning on or after January 1, 1987, to reduce the amount of their deductible underwriting losses by a percentage of the amount of taxexempt interest received or accrued on obligations ac-

quired after August 7, 1986.

With the exception of certain "qualified tax-exempt obligations," the code provides that banks and thrift institutions may not deduct any portion of the interest cost of purchasing or carrying tax-exempt obligations such as the bonds if such interest cost is incurred in taxable years ending after December 31, 1986, with respect to obligations acquired after August 7, 1986. The city does intend to designate the bonds as "qualified tax-exempt obligations" under Section 265 of the code.

Legal Opinion

The bonds will be sold subject to the legal opinion of Nichols and Wolfe Chartered, Topeka, Kansas, bond counsel, whose approving legal opinion as to the validity of the bonds will be furnished and paid for by the city, printed on the bonds and delivered to the successful bidder when the bonds are delivered. Said opinion will also state that in the opinion of bond counsel, assuming continued compliance by the city with the provisions of the ordinance authorizing the issuance of the bonds and the code, under existing law, the interest on the bonds is exempt from federal income taxation. Interest on the bonds will also be excludable from the computation of Kansas adjusted gross income for taxable years commencing after December 31, 1987.

Delivery and Payment

The city will pay for printing the bonds and will deliver the bonds, without cost to the successful bidder, properly prepared, executed and registered, on or prior to January 20, 1989, at such bank or trust company in the state of Kansas or the greater metropolitan area of Kansas City, Kansas. Delivery elsewhere will be at the cost of the successful bidder. Said bidder will also be furnished with a certified transcript of the proceedings evidencing the authorization and issuance of the bonds and the usual closing documents, including a certificate that there is no litigation pending or threatened at the time of delivery of the bonds affecting their validity. Payment for the bonds shall be made in Federal Reserve funds, immediately subject to use by the city. The denominations of the bonds and the names, addresses and Social Security or taxpayer identification numbers of the registered owners shall be submitted in writing by the successful bidder to the city and bond registrar not later than 4 p.m. C.S.T. on January 5, 1989. In the absence of such information, the city will deliver bonds in the denomination of each maturity registered in the name of the successful bidder.

The successful bidder shall furnish the city by 4 p.m. C.S.T. on January 5, 1989, a certificate acceptable to the city's bond counsel to the effect that: (i) the successful bidder has made a bona fide public offering of the bonds at the initial reoffering prices, and (ii) a substantial amount of the bonds was sold to the public (excluding brokers and other intermediaries) at such initial reoffering prices. Such certificate shall state that: (1) it is made on the best knowledge, information and belief of the successful bidder, and (2) 10 percent or more in par amount of the bonds of each maturity was sold to the public at or below the initial reoffering prices (such amount being sufficient to establish the sale of a "substantial amount" of the bonds).

Good Faith Deposit

Each bid shall be accompanied by a cashier's or certified check drawn on a bank located in the United States of America in the amount of \$2,400, payable to the order of the city to secure the city from any loss resulting from the failure of the bidder to comply with the terms of the bid. No interest will be paid upon the deposit made by the successful bidder. Said check shall be returned to the bidder if the bid is not accepted. If a bid is accepted, said check shall be held by the city until the bidder shall have complied with all of the terms and conditions of this notice, at which time said check shall be returned to the successful bidder or deducted from the purchase price at the option of the city. If a bid is accepted but the city shall fail to deliver the bonds to the bidder in accordance with the terms and conditions of this notice, said check shall be returned to the bidder. If a bid is accepted but the bidder shall default in the performance of any of the terms and conditions of this notice, the proceeds of such check shall be forfeited to the city with the city reserving its right to pursue any other remedies available to it which may arise out of the bidder's default in its performance.

CUSIP Numbers

CUSIP identification numbers will be printed on the bonds, but neither the failure to print such number on any bond nor any error with respect thereto shall constitute cause for failure or refusal by the purchaser thereof to accept delivery of and pay for the bonds in accordance with the terms of this notice. All expenses in relation to the assignment and printing of CUSIP numbers on the bonds will be paid by the city.

(continued)

Bid Forms

All bids must be made on forms which may be procured from the city clerk. No additions or alterations in such forms shall be made and any erasures may cause rejection of any bid. The city reserves the right to waive irregularities and to reject any or all bids.

Submission of Bids

Bids must be submitted in sealed envelopes addressed to the undersigned city clerk and marked "Proposal for the Purchase of General Obligation Bonds." Bids may be submitted by mail or delivered in person to the undersigned at City Hall and must be received by the undersigned prior to noon C.S.T. on Tuesday, December 13, 1988.

Assessed Valuation and Indebtedness

The total assessed valuation of the taxable tangible property within the city for the year 1988 is \$9,303,424. The total general obligation bonded indebtedness of the city as of the date of the bonds, including the bonds, is \$894,500, with no temporary notes outstanding.

Copies in excess of a reasonable number may be ordered at the successful bidder's expense.

Authority, Purpose and Security for Bonds

The bonds shall be issued under the authority of K.S.A. 10-101 et seq., as amended and supplemented, and K.S.A. 72-6761. The bonds were approved by the electors of the school district at a bond election held in conjunction with the general election on November 8, 1988, and shall be authorized and issued under a bond resolution which will be adopted by the board of education immediately after the awarding of the bonds.

The proceeds of the bonds shall be used to pay the cost of constructing, reconstructing, renovating, furnishing and equipping school buildings and facilities in the school

The bonds and the interest thereon shall constitute

general obligations of the school district, and shall be payable as to both principal and interest from ad valorem taxes which may be levied without limitation as to rate or amount upon all of the taxable tangible property within the territorial limits of the school district.

Legal Opinion and Tax Exemption

All matters relating to the authorization and issuance of the bonds are subject to the approving opinion of Hinkle, Eberhart & Elkouri, Wichita, Kansas, bond counsel. Bond counsel's opinion will be printed on the bonds, and a manually signed original of bond counsel's opinion will be furnished without expense to the successful bidder concurrently with delivery of the bonds. All fees and expenses of bond counsel will be paid by the school district.

In the opinion of bond counsel, assuming continued compliance by the school district with the terms of the bond resolution, under existing law, the interest on the bonds: (i) is excludable from gross income for federal income tax purposes, and (ii) is not an item of tax preference for purposes of the federal alternative minimum tax imposed on individuals and corporations. However, it should be noted that with respect to corporations (as defined for federal income tax purposes), such interest is taken into account in determining adjusted net book income (adjusted current earnings for taxable years ending after December 31, 1989) for the purpose of computing the alternative minimum tax imposed on such corporations. The exclusion mentioned in the preceding clause (i) is subject to compliance by the school district with all requirements of the Internal Revenue Code of 1986, as amended, which must be satisfied subsequent to issuance of the bonds in order for the interest on the bonds to qualify for such exclusion. Failure to comply with certain of such requirements could cause the interest on the bonds to be so included in federal gross income retroactive to the date of issuance of the bonds. The school district will covenant to comply with all such requirements. Bond counsel expresses no opinion regarding other federal tax consequences arising with respect to the

The bonds are exempt from intangible personal property taxes levied by Kansas counties, cities and townships, and the interest on the bonds is excludable from the computation of Kansas adjusted gross income for taxable years commencing after December 31, 1987.

Related Federal Tax Matters

Prospective bidders for purchase of the bonds should be aware that: (i) Section 265 of the code denies a deduction for interest on indebtedness incurred or continued to purchase or carry obligations other than qualified tax-exempt obligations (as described in the next paragraph), or, in the case of a financial institution within the meaning of Section 265(b)(5) of the code, that portion of a bondholder's interest expense allocable to interest on such obligations; (ii) with respect to insurance companies subject to the tax imposed by Section 831 of the code, for taxable years beginning after December 31, 1986, Section 832(b)(5)(B)(i) of the code reduces the deduction for loss reserves by 15 percent of the sum of certain items, including interest on the bonds; (iii) for taxable years beginning after December 31, 1986, and prior to January

1, 1992, interest on the bonds earned by some corporations could be subject to the environmental tax imposed by Section 59A of the code; (iv) for taxable years beginning after December 31, 1986, interest on the bonds earned by certain foreign corporations doing business in the United States could be subject to a branch profits tax imposed by Section 884 of the code; (v) passive investment income, including interest on the bonds, may be subject to federal income taxation under Section 1375 of the code for Subchapter S corporations that have Subchapter C earnings and profits at the close of the taxable year if greater than 25 percent of the gross receipts of such Subchapter S corporation is passive investment income; and (vi) Section 86 of the code requires recipients of certain Social Security and railroad retirement benefits to take into account in determining gross income, receipts or accruals of interest on the bonds. The foregoing categories of prospective bondowners should consult their own tax advisors as to the applicability of these consequences.

Qualified Tax-Exempt Obligations

The school district will covenant to take such actions as are necessary to designate the bonds as "qualified tax-exempt obligations" within the meaning of Section 265(b)(3) of the code, and, in the case of certain financial institutions within the meaning of Section 265(b)(5) of the code, a deduction is allowed for 80 percent of that portion of such financial institution's interest expense allocable to interest on the bonds.

Assessed Valuation and Bonded Indebtedness

The assessed valuation of the taxable tangible property within the school district, for the year 1988, is as follows:

Assessed valuation of taxable tangible property \$12,433,444

Taxable value of motor vehicles and dealers' 2,115,851

Equalized assessed tangible valuation for computation

of bonded debt limitations

The total outstanding general obligation bonded indebtedness of the school district, upon the issuance of the bonds described herein, will consist only of these bonds.

of the principal amount of bonds redeemed plus accrued interest to the redemption date.

Conditions of Bids

Bids will be received for the bonds bearing such rate or rates of interest as may be specified by the bidder. The same rate will apply to all bonds of the same maturity. Each interest rate specified will be a multiple of 1/8 or 1/20 of 1 percent. The difference between the highest and lowest rates specified in any bid will not exceed 2½ percent. No interest rate will exceed the maximum interest rate allowed by Kansas law, said rate being the 20 bond index of treasury bonds published in the weekly Credit Markets in New York, New York, on December 7, 1988. plus 2 percent. No bid of less than par and accrued interest will be considered. Bids for less than the entire issue of bonds will not be considered. As a condition of the bid, at least one week prior to the delivery of the bonds, the successful bidder shall furnish to the district the reoffering prices to the public a certificate stating that a substantial amount of the bonds has been sold to the public (excluding bondhouses, brokers or similar persons or organizations acting in the capacity of underwriters or wholesalers) at such reoffering prices. The certificate must be executed by the successful bidder and furnished to the district at the time of closing.

Bid Form and Good Faith Deposit

Bids will be submitted on the official bid form furnished by the school district and will be addressed to June Betz, District Clerk, District Office, R.F.D. 1, Richmond, KS 66080, and will be plainly marked "Bond Bid." Each bid will specify the total interest cost to the school district on the basis of such bid and the average annual net interest rate on the basis of such bid. The net interest cost to the school district will be determined by subtracting the amount of the premium, if any, from the total interest cost and will be stated as a dollar amount in the bid. The school district will be entitled to rely on such dollar amount as stated in the bid as the basis of determining the lowest net interest cost bid. If there is any discrepancy between the said net interest cost and the average annual interest rate specified, the specified net interest cost will govern and the rates specified in the bid will be adjusted accordingly.

Each bid must be accompanied by a certified or cashier's check equal to \$11,000 made payable to Treasurer, Unified School District 288, Franklin County, Kansas. In the event a bidder whose bid is accepted fails to carry out the contract to purchase the bonds, said deposit will be retained by the school district as liquidated damages. The checks of unsuccessful bidders will be returned promptly.

Basis of Award

The school district reserves the right to reject any and all of the bids and to waive any irregularities. Unless all bids are rejected, the bonds will be awarded to the bidder whose proposal results in the lowest net interest cost to the school district.

Delivery of the Bonds

The bonds will be sold subject to the unqualified approving opinion of Cosgrove, Webb & Oman, bond coun-

sel, of Topeka, Kansas, a copy of whose opinion will be printed on the reverse side of each certificated bond. Manually signed originals of the opinion will be furnished without expense to the purchaser of the bonds at the delivery thereof. The cost of the opinion of bond counsel and the expense of printing the bonds will be paid by the school district. Bond counsel's legal opinion will contain a statement to the effect that the bonds will constitute general obligations of the school district, payable as to both principal and interest from ad valorem taxes which may be levied without limitation as to rate or amount upon all of the taxable tangible property within the territorial limits of the school district.

The number and denominations of bonds and names of the registered owners to be shown on the bonds initially delivered must be submitted in writing by the successful bidder to the bond registrar not later than January 3, 1989.

The purchaser will be furnished with a complete transcript of proceedings evidencing the authorization and issuance of the bonds and the usual closing proofs, which will include a certificate that there is no litigation pending or threatened at the time of delivery of the bonds affecting their validity. Payment for the bonds will be made in Federal Reserve funds or other immediately available funds not later than 11 a.m. C.D.T. on the day of delivery. Delivery of the bonds will be made to the successful bidder on or before January 23, 1989, at any bank in the state of Kansas or Kansas City, Missouri, at the district's expense. Delivery elsewhere will be made at the expense of the purchaser. The purchase price, including accrued interest from the date of the bonds to the date of delivery, will be paid at delivery or the good faith deposit will be forfeited.

Approval of Bonds/Tax Exemption

The bonds will be sold subject to the legal opinion of Cosgrove, Webb & Oman, Topeka, Kansas, bond counsel, whose approving legal opinion as to the validity of the bonds will be furnished and paid for by the district, printed on the bonds and delivered to the successful bidder as and when the bonds are delivered.

The opinion will state that, assuming continuing compliance by the district with the provisions contained in the bond resolution, the interest on the bonds is, under existing law: (a) excludable from gross income for federal income tax purposes, and (b) not an item of tax preference for purposes of the federal alternative minimum tax imposed on individuals and corporations, provided that for the purpose of computing alternative minimum tax imposed on corporations, bond interest is taken into account in determining adjusted net book income (adjusted current earnings for taxable years ending after December 31. 1989). The opinion set forth in clause (a) above is subject to the compliance by the district with all requirements of the Internal Revenue Code of 1986, as amended, which must be satisfied subsequent to the issuance of the bonds in order that interest thereon be excluded from gross income for federal income tax purposes; failure to comply with those requirements could cause the interest on the bonds to be included in federal gross income retroactive to the date of issuance of the bonds. The district has covenanted to comply with all such requirements. The opinion will state that the bonds are exempt from intangible personal property taxes levied by Kansas counties, cities and townships, and the interest on the bonds is excluded from the computation of Kansas adjusted gross income. No further opinion concerning the tax consequences, other than the above, is or will be given.

Related Federal Tax Matters

Prospective bond purchasers are advised that: (a) except as stated above, Section 265 of the code denies a deduction for interest on indebtedness incurred or continued to purchase or hold the bonds; (b) with respect to insurance companies subject to the tax imposed by Section 831 of the code, Section 832 of the code reduces the deduction for loss reserves by a percentage of the sum of certain items which include interest on the bonds; (c) for taxable years beginning before January 1, 1992, interest on the bonds earned by some corporations might be subject to the environmental tax imposed by Section 59A of the code; (d) interest on the bonds earned by certain foreign corporations doing business in the United States could be subject to the tax imposed by Section 884 of the code; (e) passive investment income, including interest on the bonds, may be subject to federal income taxation under Section 1375 of the code for Subchapter S corporations that have Subchapter C earnings and profits if greater than 25 percent of the gross receipts of the Subchapter S corporation is passive investment income; and (f) Section 86 of the code requires recipients of certain Social Security and railroad retirement benefits to take receipts or accruals of interest on the bonds into account in determining gross income. Bondholders should consult their tax advisors with respect to the above.

Qualified Tax Exempt Obligations

The district will covenant to take such actions as are necessary to designate the bonds as "qualified tax-exempt obligations" within the meaning of Section 265(b)(3) of the code; and, in the case of certain financial institutions within the meaning of Section 265(b)(5) of the code, a deduction is allowed for 80 percent of that portion of such financial institution's interest expense allocable to interest on the bonds.

The assessed valuation of taxable tangible property within the district, for the year 1988, is as follows:
